Mordecai Wilson – What is good and helpful for everyone of us in the city of Lula regardless what capacity we serve in or represent must be the focus of all. We need to work and plan how and what ways we can improve this great city of ours. We need concrete plans that benefits everyone and especially those things that benefit our youth. Our youth are watching and hearing from parents and friend about what we have done in the past and what we expect them to do in the future.

Betty Thomas – put the minutes on the website when they are finished.

Chip Horst – Running for district 5 – moved here over a year ago and have met so many people. My wife o involved in the Lula Ladies; I’m involved in the historical society. We wanted a small-town feel. I am running because I love the small town feel and the friends we have made. I want to work with the council and watch the city grow but not too fast.
